Schofield Teams Fight For Honors On Gridiron

Battery B, 1st Field Artillery, Wins From Battery F By Single Touchdown—F Company, 25th Infantry, Takes G Troop, 4th Cavalry, Into Camp By Score of 19 to 0—1st Infantry Will Have Strong Lineup for Games This Season With National Guard and 2nd Infantry Teams

(Special Star-Bulletin Correspondence)
SCHOFIELD BARRACKS, Nov. 16.—Two football games were played on the Cavalry-Artillery gridiron Sunday afternoon. The first, a hard tussle between two batteries of the 1st Field Artillery, ended in a 6 to 0 victory for B Battery, over F. The second game was a walk-away for F Company of the 25th Infantry, defeating G Troop, 4th Cavalry, 19 to 0.

Great Rivalry in Artillery.
B and F batteries are the only two organizations in the field artillery that have football teams, and for two years a great rivalry has existed between them. The first time they have met on the gridiron this year was Sunday afternoon, and a great battle was the result. It is probable that the two teams will combine later to represent the regiment.

In the first half B battery had all the advantage, but failed to score. At one time they carried the ball to the one-yard line, where it was lost on a fumble. Rice, the fleet right half back of the B Battery team, made some thrilling end runs.

In the fourth quarter B Battery again advanced the ball within striking distance of the F Battery goal, but the latter's line held like a stone wall. Rice tried a drop kick, but the ball went a few inches wide. Finally Ashmore tackled big McMillan so hard that he dropped the ball, and "Fireman" Uivan, who follows the ball with the same assiduity as he follows the little B Battery fire engine at fire drill, nabbed up the ball and carried it to the five-yard line. Here B Battery put forward their best efforts and in two plays the ball was carried over for a touchdown. Rice failed to kick goal.

Gable, who has been in the hospital for nearly a month, played in the last quarter. His return greatly strengthened the B Battery team.

The teams lined up as follows:
Bat. B. Pos. Bat. F.
Ashmore, L. E. Villier
Olewerly (C.), L. T. Hofner
Eaker, L. G. Valerio
Tandyke, C. Christian, Cain
Purins, R. G. Ewing
Cumberland, R. T. Hanler
Uivan, R. E. Powell, Bolton
Richards, Q. McMillan
Dawles, L. H. Menard, Dancy
Rice, R. H. Bodner (C.)
Hale, Gable, F. Long

Touchdown, Richards; Time of quarters, 15 minutes; Referee, Lieut. J. O. Daly; umpire, Cpl. Fleishman; head linesman, Cpl. Stafford; linesmen, Michaels and Ritchey.
F Company Wins Easily.
In the second game F Company of the 25th had G Troop on the defensive from the start, and their big backs tore great holes in the troopers' line, and skirted their ends for long gains. At times the cavalrymen turned the tide of the contest for a few minutes. A few trick plays frequently got away for long gains. They put up a plucky fight, but were forced to give in to the superior tactics and speed of the 25th infantry team.

The first score was made in the first quarter, when Fry carried the ball over the line after receiving a beautiful forward pass from Gabourel. Thomas kicked goal.

In the second quarter Gabourel did some wonderful running through a broken field. He is a clever man at dodging and is hard to stop. The troopers were again and again pushed down the field, but each time their defense stiffened under the shadow of the goal posts, until finally Thomas was sent through on a break play for a second touchdown.

Gabourel made the third and last touchdown in the fourth quarter.

The teams lined up as follows:
Troop G. Co. F.
Reddingfield, L. E. Fry
Trometer, L. T. Scales
Fekete, L. G. Wyche
Brakovich, C. Braxton
Mugridge, R. G. Taylor
Hartman, R. T. McWhorter
Truman, R. E. Turner
Fleishman (C.), Q. Gabourel (C.)
Morton, L. H. Weatherly

MCKINLEY WINS CHAMPIONSHIP FROM PUNAHOU

Tearing through the Punahou line for gains ranging from three to ten yards, the McKinley high school second team defeated the Punahou reserves yesterday afternoon on Alexander field by a score of 6 to 0, thereby winning the second team championship for the year. It was a hard fought game throughout and time and again the McKinley backs would carry the ball down the field, only to be stopped in the shadow of the goal by the Punahou defense.

Punahou did not show a strong attack, while the McKinley players played straight football, crushing through the Punahou offense time and again for big gains. David Bent, Joe Stickney and Robert Boyd starred on the offensive for McKinley, hitting the line well and picking their holes in good fashion. Joe Stickney was the real hero of the day, his run from a forward pass catch netting the high school the one touchdown.

Capt. Bush of McKinley won the toss and decided to receive and defend the Waikiki goal. Stevens kicked off to Bent, who returned the ball 15 yards. Bent, on the first down, made six yards, and on the next play Boyd hit the line for first down. Time and again the charging backs of McKinley would hit the Punahou line and later, when Bent fumbled, Punahou recovered the ball. The play in the first quarter, was principally in Punahou's territory.

In the second quarter Auerback of McKinley received a forward pass and raced for 20 yards before he was stopped. McKinley then began hitting the line and brought the ball to the two yard line, but Punahou was fighting hard and the high school could not send the ball across the line. Stevens kicked out of danger after McKinley had lost the ball on downs and after Punahou showed great work on defense in three plays, time was called. Punahou did better work in the next period, but the last period decided the result. David Bent dropped back and hurled the ball to Joe Stickney, who made a great catch and raced down the field across the goal line for the only score of the game. Chillingworth failed to kick goal. The stars for Punahou were Iwana and Brown, both players showing up well in all departments of the game. This is the first second team championship won by McKinley since 1907. Punahou has won for eight years in succession.

19 YEAR OLD BOY HAS GREAT RECORD IN GOLF

Golfers are touting the 19-year-old Phillip Carter as "the second Jerry Travers." He is a trail youngster, this Carter, yet he drives a ball farther than 90 per cent of the men in the game; he seems to be nothing but a bundle of bones and nerves, yet he is cool, heady and seemingly nerveless on the links.

Carter has made a better showing this season than any golfer in the world. He has won five tournaments and one championship, the Junior Metropolitan. He competed in the senior Metropolitan and played in wonderful fashion, but was beaten in the semi-finals by the wonderful John Anderson in the twenty-third hole—the longest match ever played in a Metropolitan championship.

Carter won the Greenwich cup by defeating Dudley Mudge, the Yale student, who previously had beaten Max Marston and Francis Oumet. Mudge only won one hole in the entire match and Carter scored an easy victory 6 up and 5 to play.

PROTEST AGAINST PLAYING OF BRICKLEY'S BROTHER

The advisory athletic council of Trinity College sent a letter to New York University in answer to its protest against the playing of George Brickley, a former member of the Philadelphia Americans, to the effect that under the rules governing eligibility in athletics at Trinity College Brickley is eligible to play and will be a member of the team. The council declares that it does not subscribe to the summer baseball rule.

Des Jardien To Coach Teams At Chicago School

Paul Des Jardien, the University of Chicago pitcher who played here, winning the three games that he pitched against local teams and who is now in Manila with the Maroons, has been selected as professional coach at Chicago University. Des Jardien is one of the greatest all-around athletes ever developed at the Chicago school and was picked by Walter Camp as All-American center.

Des Jardien has made a great record in all branches of athletics. He was best known as a football player, but his startling work as a pitcher both at Chicago and during his present tour has stamped him as one of the best finds of the year in the box. He was offered a job with the Chicago Cubs at one time, but decided that he would remain an amateur. According to the information given out last week at Chicago, Des Jardien will assist Coach Stagg in handling the basketball, baseball, track and football candidates.

This position is a good one, and as Des Jardien is a type of athlete who knows all athletics from every angle it is certain that he will be a strong candidate for Stagg's job when the time comes for the great Chicago mentor to retire. Local friends will be pleased to hear of the announcement, as this position naturally carries much prestige. Stagg was ill this year and only came to the football team at the eleventh hour, and local Chicago alumni believe that this is a golden opportunity for the big Maroon pitcher. Des Jardien will take up his duties as soon as he returns from the Orient.

Pat Page, manager of the Maroon baseball team now in the Philippines, has been connected with athletics at the University of Chicago for some time and has been Stagg's lieutenant during the past few years. Nothing was stated regarding Page or his work next year, and it may be that Page has decided to branch out into some other line of work.

NIGHT SCHOOL TO ENTER ATHLETICS

The latest entry into Y. M. C. A. athletics is the club organized among the students of the Y. M. C. A. night school. This club will enter teams in the regular association club league, and the quality of material promises that it will offer some strong competition. George Dunn is president of the "N. S. C." and Jan Mowat is secretary. At a meeting held last Friday evening, Jan Mowat was elected basketball captain for the season. Mowat has had mainland high school basketball experience, and is a fast player.

The following are trying out for places on the basketball team: George Brandt, James Wilkinson, John Mattson, Andrew Kalai, William Cummings, Herbert Brundage, Jan Mowat, Albert Laeha, George Dunn and Harold Hampton.

TRAVELERS MAY PLAY AGAINST 25TH INFANTRY

Now that the Chinese Travelers have come back to Honolulu they are yearning to don their spiked shoes and play our national game against some of the local teams. The players have had a rest after their long trip, and will be in condition to play any time this week. The Travelers should be the best drawing card of any team now here, and a game between that organization and the 25th Infantry club should be a big card.

The Oahu League has a draft's header scheduled for Sunday afternoon at Athletic park, but it is thought that if a game could be arranged between these two teams for Sunday, that a banner crowd would turn out after one week's rest from the game. As it looks now neither game scheduled for Sunday should be as exciting and it is doubtful whether the fans would journey out in numbers to watch these contests, but a game between the Travelers and 25th Infantry should pack them in.

Both Teams Willing.
Lai Tin and the players on the Travelers are anxious to meet the 25th Infantry and as the 25th have not yet been afraid of any team around this vicinity it is thought that a contest could be arranged between these two teams. The logical place for the game at present would be at Athletic park, and the Oahu League officials might be able to schedule this contest inasmuch as last week's games were called off on account of wet grounds. If a game is not scheduled locally for the Travelers it is thought that arrangements might be made for a contest at Schofield.

With the addition of two or three of the local Chinese players the Travelers would have a bang-up lineup that should draw the fans who have been keeping away from the games of late. There will be many of the fans who have been following the Travelers in their games on the mainland and they will be anxious to see how they can stack up against the local teams. Without doubt a contest between the Travelers and the 25th Infantry would do more to draw out the fans than any game that has been scheduled of late.

MOSLEY MAKES RECORD SCORE WITH SERVICE

Honolulu 9 7 2 773
Service 12 8 4 667
Colts 9 6 3 567
Cosmos 15 6 9 400
P. B. C. 12 4 8 333
Nationals 9 2 7 222

Last night's match—Service 2, Cosmos 1.
Tonight—Honolulu vs. Colts.
The Service came back after losing the first game to the Cosmos and took the series, which enabled them to hold on to a tie for second place in the Y. M. C. A. bowling league. The Cosmos won out in the first game by 32 pins.

Improving as the evening advanced, Capt. Stayton's men took the second game easily. The third was hard fought and only by a big total, 387, gave the Service men the game and match.

Mosley did the feature work. The Service's anchor man bowled 603, the best individual total of the season, an average of 201. George Reed kept up his good work for the army team and averaged 177 last evening. Benson proved the Cosmos star and took both high average and high score, 182 for the former and 198 the latter. Pete Bernal was second.

Tonight the Honolulu and Colts meet in a battle for first place. The Honolulu will have Gear, Winne, Scott, Franz and Capt. Mills in their lineup, with C. C. Clark, if he can remain in the city. The Colts will start with Creed, Rasmussen, Ham, Yap and Capt. Chamberlin. Emmans, who has just recovered from a week's illness, will hardly be in shape to bowl. Last night's scores:

Service	1st	2nd	3rd	Total

Honolulu To Join Big Coast Bowling League

Local Y. M. C. A. Team Will Play Against Bowling Teams on Coast—Contests Will Take Place With Los Angeles, Oakland, Sacramento, Vallejo and San Jose—Scores Will Be Flashed By Wireless—First Time in History Honolulu Has Joined Mainland League

Honolulu has been invited to enter the California State Y. M. C. A. Bowling League. This is the first time a Honolulu organization has been asked to compete in a mainland athletic league and the triumph of wireless has made it possible.

A six-city league is being organized with Los Angeles, Oakland, Sacramento, San Jose, Vallejo and Honolulu as the teams invited to enter. Matches would be played once each week and results exchanged by telegraph and wireless.

Capt. Stayton is heartily in favor of the local Y. M. C. A. entering a team as it would stimulate interest in bowling here and give Honolulu good publicity in the California cities. As a promotion stunt there is everything to be gained by putting in a representative Honolulu team composed of the best local bowlers.

Rules of the American Bowling Congress will be strictly enforced and it is left to local committees to see that standard conditions prevail during the competition. Each match would count a point for the winning team in the percentage table. Honolulu would bowl against Los Angeles one night, Sacramento the next week and so on with all the teams of the league.

An Ohio State Y. M. C. A. Bowling League proved a big success last season and it is thought that the newly formed California league will make a hit right from the start. The officials in inviting the local association to enter a team state that it will add great interest to the league to have a Honolulu club. Local bowlers will probably be able to hold their own against many of the mainland association teams.

TYRUS COBB CONTINUES TO MAKE MORE RECORDS IN BASEBALL HISTORY

Ty Cobb failed in his ambition to steal 100 bases this year, falling three piffers shy of the mark, but his record of 97 probably will stand for many years to come. Certainly there's no one in the baseball business just now who looks fast enough to beat that mark, and it's doubtful if Ty can do it himself.

Ty has established five base running records in the American league. In 1907 he stole 48 bases, breaking the old record of 44 bases, jointly held by David Fultz, made in 1902, and Frank Ibell, made in 1901. In 1909 the Georgian bettered his own mark by stealing 76 bases. The crown went to Eddie Collins in 1910, when he stole 81, but Ty came back in 1911 and stole 83. This record was passed in 1912 by Clyde Milan of the Senators, who made 88 steals. And now Ty has gone nine beyond this mark.

tail of selecting the local team will be arranged. Each city Y. M. C. A. is entitled to enter 12 men. They are divided into two teams of five men each. The scores of the first team are counted and wireless. Any second team man who bowls higher than a first team man goes on to the first team for the next match. This will keep the entire squad working and interested since a man's place on the first five is never sure. Competition will also cause the match scores to show higher.

Each match would count a point for the winning team in the percentage table. Honolulu would bowl against Los Angeles one night, Sacramento the next week and so on with all the teams of the league.
